Gray Dragon Airsoft – Legal Disclaimer

BY ORDERING FROM THIS SITE, YOU ACKNOWLEDGE AND AGREE TO THE FOLLOWING TERMS AND CONDITIONS FOR ALL PRODUCTS SOLD, INCLUDING AIRSOFT GUNS, PAINTBALL MARKERS, AIRGUNS, TACTICAL GEAR, AND ACCESSORIES.

Age Requirement

I, the Purchaser, declare that I am at least 18 years of age or older. I certify that I am legally allowed to purchase airsoft guns, paintball markers, airguns, tactical gear, and related accessories in my state or local jurisdiction. Adult supervision is required for any minor using these products.

Compliance with Local, State & Federal Laws

I affirm that I have reviewed and understand all applicable laws and field rules before purchasing or using any product from this website. Certain products may be restricted, regulated, or prohibited in specific states, cities, or venues (including but not limited to airguns and pressurized containers). It is solely my responsibility to ensure compliance prior to purchase and use.

Airsoft — Orange Tip & Look-Alike Appearance

I acknowledge that airsoft replicas are sold with a federally required blaze-orange tip (minimum 1/4 inch) to distinguish them from real firearms. Removing, altering, or obscuring the orange tip may violate federal regulations and void warranties. Misuse of any look-alike device may carry penalties similar to real firearm misuse.

Paintball — Safety, Masks & Field Use

Paintball markers must be used with ANSI-rated full-face protection (goggles with face/ear coverage). Barrel covers/plugs and chronograph limits set by fields must be followed at all times. Use only manufacturer-recommended paint and propellants. Never aim at unprotected persons, animals, or property.

Airguns — Additional Restrictions

Some airguns (e.g., pellet/BB) are subject to additional shipping, age, or local restrictions. I am responsible for confirming legality in my area, receiving shipments where allowed, and using appropriate backstops and eye protection. Airguns are not toys and can cause serious injury or death if

misused.

General Product Safety & Protective Equipment

Airsoft guns, paintball markers, and airguns are not toys. I agree to follow all safety instructions, use proper protective equipment at all times (eye/face protection, gloves, etc.), and store products securely away from children. I will use manufacturer-approved propellants (CO₂/green gas/HPA) and components only.

Modifications, Maintenance & Warranty

Unauthorized modifications, disassembly, or unsafe tuning (including removal of safety devices, excessive velocity, or non-approved parts) may be dangerous, may be illegal at fields, and can void warranties. I accept responsibility for all maintenance, safe storage, transport, and lawful use.

Fraud, Chargebacks & Age Misrepresentation

All transactions are logged and monitored. Fraudulent payments, chargeback abuse, identity or age misrepresentation may result in order cancellation and reporting to law enforcement or payment processors.

Shipping Hazards & Restricted Items

Certain items (e.g., CO₂ cartridges, green gas, pressurized tanks, or other hazardous/oversize goods) may ship via ground only or be restricted from certain locations. I understand shipping carriers and regulations may limit delivery options and timelines for these products.

Assumption of Risk & Liability Waiver

By purchasing from Gray Dragon Airsoft, I accept full responsibility and liability for the use and ownership of any item I buy, including but not limited to airsoft guns, paintball markers, airguns, tactical gear, and accessories. I agree to indemnify and hold harmless Gray Dragon Airsoft, its owners, employees, agents, and affiliates from any and all legal actions, injuries, losses, damages, or claims related to the use or misuse of these products—whether by me or any other person.

Final Acknowledgment

By placing an order, I acknowledge that I have read, understood, and agreed to all terms outlined above. I also understand that these terms are legally binding and subject to change without notice. Continued use of this website constitutes ongoing acceptance of all current policies. This Disclaimer is in addition to our Terms & Conditions.
